

## Safer Internet Week - Bookmark competition

Have you ever read a book, had to close it and lost the page that you were on? Here is your chance to design the perfect solution and help others stay safe online at the same time.

You need to design a double-sided bookmark on the template below. Your bookmark must include 'Top-tips for staying safe online' and 'What to do if something unkind happens to you online.'

A winning design will be chosen from each year group and will be given out to each child in that year.

Please give your finished entry to Miss Thomas (KT) by Friday 23<sup>rd</sup> February 2018 with your name and class in pencil on the back.
