## Guillemont Green Fingers Club

Dear Pupils, Parents, Grandparents, Carers and Friends,

Do you like spending time outdoors?  
Do you enjoy gardening?  
Would you like to help improve your school grounds?

Now that spring is on its way we are keen to start up our gardening club again to help enhance our school grounds. We would like to encourage the children to get active and help with some planting, weeding and general maintenance of our lovely school grounds. Parents, carers and especially grandparents who can spare some time are welcome to join too!

The club will take place on a Tuesday from 3.30-4.30pm (we shall extend to 5.00pm when the evenings get lighter) starting on Tuesday 23rd February. If you or your child is interested in joining our club, then please complete the slip below and return to Mrs Chihota or Mrs Young.

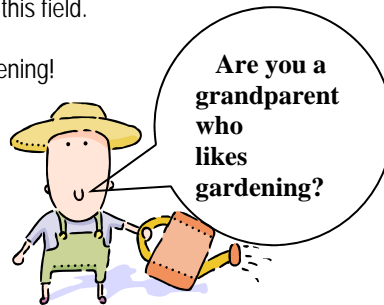

Please also let us know if you have any specialist skills in this field.

We look forward to putting on the gloves and getting gardening!

Yours sincerely

Mrs Young (Gardening Co-ordinator)

Mrs Chihota Parents and Community)
