Event	Date	Time	Who	Cost
Robotics club	Tuesdays (starting on 7 th Feb)	After School 3.30pm - 4.30pm	Any uppers children who have not yet taken part	Free

Dear Parent / Carer

Re: **Robotics Club**

As part of our commitment to provide a range of extra curricular activities and in order to develop further children’s enthusiasm for science, we have a fantastic opportunity for children in the uppers to join a Robotics Club. The club, which is run by teachers from Cove Secondary School, is open to all children in the uppers to attend and work together on exciting projects.

The club will run on Tuesdays after school at Guillemont from 3.30pm to 4.30pm, beginning on Tuesday 7th Feb, free of charge. The club will run for 5 weeks. This club will be open to all children in the uppers classes, initially to those who have not yet taken part, and in case of any spare spaces available, those who have attended before will have the opportunity to attend again.

We hope this will interest your child and if so please fill in the reply slip below and return to school (to Miss Scaife) as soon as possible so that numbers can be verified.

Yours sincerely

Miss A Scaife
Class Teacher (Class AS)

✂ ✂ ✂ ✂

I give permission for my child (name) to attend the Robotics club on Tuesdays after school from 3.30-4.30pm.

- * I will make arrangements for my child to be picked up at Guillemont at 4.30pm after the club.
- * I give permission for my child to make his/her own way home from Guillemont at 4.30 pm after the club.

* (delete as appropriate)
