All clubs that are run by outside agencies are chargeable. Keyboard and Violin lessons are provided by Hampshire Music Services. Please note that for all instrumental lessons you will need to commit for the whole year as the school books the music teachers in advance. Parents will be invoiced £65 per term, which is spread over the whole year giving children 30 lessons in all. As there are 39 weeks per academic year the children often have more than the allocated 30 lessons. Therefore if your child is unable to have a lesson one week for whatever reason then unfortunately a charge will still be levied. If you have any queries concerning music lessons, please do not hesitate to contact the school.
