21<sup>st</sup> April 2010

Dear Parents

**Instrumental Tuition September 2010**

Guillemont offers small group music lessons taught by specialist teachers. We currently offer lessons in flute, saxophone, trumpet, clarinet, violin and keyboard.

An additional service is offered by the Scamps music service, they are currently teaching guitar and drums at school. These lessons are undertaken outside schools hours but if you wish further details please obtain a leaflet from the school office.

The school lessons take place on the same day each week and are in school time. There is a fee for these lessons, which currently is £65 per term (£65 x 3 per year), paid termly in advance for the academic year. Over the course of the academic year the children will receive 30 lessons, the only time refunds will be given is if the teacher is off sick and has not been able to make that lesson up. As these specialist teachers are booked in advance we do have to ask that you and your child commit to the whole year of lessons. Please complete the slip even if your child is having lessons at the moment, as they will not automatically be allocated a place in September.

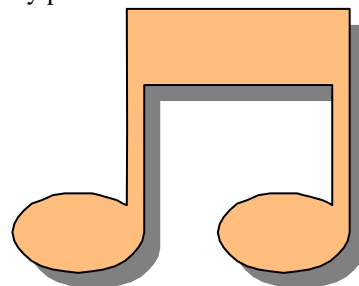

As you will appreciate to learn an instrument is more difficult at the beginning and requires perseverance on the child's part to practice and support from parents to enable this practice. However the rewards are great! Your child would need their own instrument but these can be purchased through the school (without the need to pay VAT) or if you prefer instruments can be rented through Dawson's Music in Basingstoke.

These group lessons do provide extremely good value for money and we have in the past had many children who have learnt and excelled with the school and who are now playing in local area Hampshire Youth Bands and orchestral groups.

If you would like any further information or would like to discuss the opportunity please contact the school office.

Yours sincerely

Kate Fuller  
Headteacher

Name ..... Class .....

I would like my child to join the flute, saxophone, trumpet, clarinet, keyboard or violin (please indicate) and I understand I am committed for at least one year, until July 2011

Signed.....
