Jeans are not suitable as they get very heavy and cold when wet and take a long time to dry out. Footwear should be comfortable and protect the whole foot and so flip flops or sandals are not considered suitable. **Please ensure all items are clearly named.**

No electronic tablets, laptops, electronic games or mobile phones (they will be taken away from the children and returned to adults collecting the children on our return). Digital cameras are allowed but they are your child's own responsibility – we recommend a disposable camera. **No aerosols** please as they set off fire alarms and cause issues to children with asthma; deoderant must be stick or roll-on only.

Children will have to carry all of their own bags to their cabins once at Little Canada and space is limited on the coach, therefore **it is important that the bags are as small as possible and that the children can carry them.**

Please do not pack any medication. All medicines should be checked in and signed for by the designated member of staff, on the first morning of the residential.
