

6th November 2020

Dear Parents and Carers

Children in Need Fundraising

The School Council have chosen to once again support the BBC Children in Need fundraising appeal this year. This year's campaign is entitled 'Five to Thrive' and is focused on boosting children's mental wellbeing.

Throughout the week, the children will have an opportunity to partake in activities linked to the five key areas: Connect, Take Notice, Get Active, Be Curious and Give. There will also be an opportunity to join in with a 5 minute morning energiser with Joe Wicks.

As part of the 'Ultimate Feel Good Friday', the children will be invited to come to school on Friday 13th November dressed in their favourite pyjamas, onesies or even Pudsey spots! If you would like to make a donation (suggested £1) to the appeal, we are going cashless this year and have set up a JustGiving page: <https://www.justgiving.com/fundraising/guillemont>. The page can also be accessed directly using the QR code shown. However, there will be a collection pot in reception if you have difficulties accessing the website but would still like to donate.

If you and your child(ren) would like to raise further funds, the School Council have come up with some suggestions for sponsored activities including participating in the daily Joe Wicks activities, completing 40 acts of kindness or different ways to explore and play outside (two of the activities that the children will be exploring in school). A sponsorship form is attached to this letter if you would like to use it. Again, we request that any donations are made via the JustGiving page mentioned below.

Many thanks in advance for your support with this year's fundraising.

Yours sincerely

Mrs. V. Gale
School Council Leader
