

7th September 2022

Dear Parents and Carers

Extra-curricular after school activities – Autumn Term 2022

Below is a table of the various extra-curricular clubs and activities which are on offer at Guillemont Junior School during the Autumn Term 2022.

Some are lettings to individuals/organisations. The school ensures that the appropriate safeguarding and insurance checks are carried out. These clubs incur charges and are shown by the use of asterisks on the table. Gymnastics and Dance are available through external companies in the late afternoon/early evening. You can get more information about these clubs from the school office.

This term we have several opportunities for the children to take part in clubs which are run by teachers free of charge, some may ask for a donation but this is only towards resources that the club will need to run. These clubs will start the week commencing Monday 12th September 2022 (unless stated otherwise). Even if your child took part in a teacher led club previously, they will need to re-apply for the club this term. **Please note that we are only allowing a maximum of two after school clubs that your child can sign up for, to give other children the opportunity of joining a club that they may have previously missed out on.** There is no need to sign up through Arbor for a lunchtime club. Your child can just go to the room where the lunchtime club is being held on the allotted day.

If you would like your child to learn an instrument during the school day, the school office will be able to give you the correct information. Music lessons on offer at Guillemont are: Recorder, Guitar, Choir and Drums.

We also have the provision of a 'Before and After School Club' (BASC). The school office will be able to help you with information if you feel this is of interest.

Please have a look at the clubs' table on the next page which will give you information of the club; the year group it is for; the time it is on; the teacher in charge and the location it is held. You will need to sign up for these clubs on the Arbor App in order for your child to attend. Some clubs are limited so as soon as the limit is reached you will no longer be able to give your consent. **It is very important that you let us know if your child is unable to come to a club that they have signed up for, otherwise a phone call will be made home if they do not attend the club without prior reason for their absence. We cannot accept a message from your child that they will not be attending a club. Please also let us know if there is a change to who will be collecting your child (a friend, relative etc. that are not listed in Arbor), by email, phone or in-app message.** Children will be collected from Reception at the end of every teacher led after school club.

Please note that we try to respond to requests from children and clubs may be added during the course of the year. Please check the website for any amendments.

Yours sincerely

Mr D Barry
Clubs Co-ordinator

Please note:

- Children should go to the classroom stated for their activity and be collected by an adult at the finishing time from the office.
- If an activity has to be cancelled on the day (e.g. because of staff illness/weather), children will not be sent home unless parents have been informed.
- **Arbor sign up will need to be completed for after school clubs only (not lunchtime clubs).**

*** **There will be a cost for these clubs and separate letters are generated. Please ask the school office for details.**
