

The following three school rules underpin and uphold our beliefs in our behaviour policy:

We are ready to learn

We are respectful to everyone and everything else

We make safe choices

3rd October 2022

Dear Parents and Carers

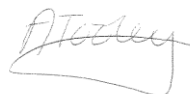

In Year 3, our project in the first half of the autumn term is "Why are our oceans important?" Based on this, we would like children to make a 3D sculpture e.g. a model aquarium. You may present this work in any way you wish but one simple yet effective suggestion is to use a box like this:

However, you may have your own thoughts and we value creativity very highly! Try searching the internet for more ideas. You may wish to incorporate anything that inspired you during our visit to the Blue Reef Aquarium and perhaps reflect the ways that oceans need to be respected and cared for.

The finished work is due in on Monday 17th October 2022.

Yours sincerely

Miss Karen Thomas, Miss Ellen Keep, Miss Abbie Tooley and Miss Yasmine King
Year 3 Team
