English Evening for Parents and Carers – Thursday 1st December 2022 at 6:30pm
Mathematics Evening for Parents and Carers – Thursday 24th November 2022 at 6:30pm

Dear Parents and Carers

On Thursday 1st December 2022 and Thursday 24th November 2022 at 6.30pm, Mrs Barry (Lead Teacher of English) and Mr Cooper (Lead Teacher of Mathematics) will be leading workshop evenings for parents and carers. It will be a chance to experience the different strategies that we use for helping children to read, learn spellings and solve mathematics problems, with a focus on the school's calculation policy, which can be found on the school website.

The evening is primarily aimed at Yr3 parents and carers but is open to parents and carers of children in Yr4 and Yr5, if you wish to attend. If you have attended in previous years, the content and key messages will be very similar. I hope that, by attending these sessions, you will feel more confident in supporting your child further at home.

We will aim to make the evening interactive and practical! You will also be given a support guide on the night with activities that you could use at home to support your child further.

I would be grateful if you could complete the form below as soon as possible to register your interest in attending, so that we can have appropriate resources available.

Yours sincerely

Mrs Amy Barry

Lead Teacher of English

Mr Matthew Cooper

Lead Teacher of Mathematics
