

9th February 2023

Dear Parents and Carers

FAST Museum – Farnborough and Homework Project

Next half term we are studying Samuel Cody and the history of flight in Farnborough in Year 4. An exciting programme of study has been planned, along with a visit to the (FAST) Farnborough Air Sciences Trust Museum, Farnborough. We expect to take the whole of Year 4 to the museum on **Thursday 9th March 2023**.

The visit will provide an enjoyable opportunity to put learning into context with a talk about Samuel Cody and opportunities to tour the different exhibits, in small groups, accompanied by an adult.

The visit is during a small part of the day and the children will be having their lunch as normal at school. Please make sure your child has suitable clothing as the museum is quite cold in parts. They will also need to take a water bottle and snack please. Travel to and from the museum will be by coach, with each class taking turns.

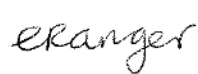

If you would like your child to take part in the visit to the FAST museum, please complete the reply slip below and return it with the cost of the visit to the school office. The cost of the visit will be £9.00. The breakdown of the cost is as follows:

Coach fare	£4.00
Museum tour and talk	£5.00
Total	£9.00

As with all visits during school time, we have to ask for a voluntary contribution. However, if a contribution is not made, the visit cannot proceed. Please return the permission slip and voluntary contribution to the school by **Friday 24th February 2023** at the latest. Alternatively, this visit is available to pay online through Scopay. If you are having difficulty paying for the visit, please contact the school.

Also, there is a homework task for the half-term. Please could children design their own flying machine? They can make the design if they like, or simply provide a blueprint. It can be as wacky or sensible as they like! This should be handed in by Monday 27th March 2023.

Yours sincerely
