

7th March 2023

Dear Parents and Carers

Yr3 Local Area Walk

In order to support the children's learning for our new project 'Why Do People Choose to Live in Farnborough?', we will be taking the children for a short walk around the local area on **Monday 20th March 2023**. This is an exciting opportunity for the children to participate in fieldwork and to learn about the geography of our local area first-hand.

For this, we ask that the children come to school appropriately dressed with warm, waterproof clothing and a separate pair of outdoor walking shoes, trainers or wellies. There will be no changes to the timings of the school day or to the arrangements for lunch.

You do not need to do anything, as you will have completed the general permission form, which included permission to go on short walks, when your child joined the school.

We have also set project homework for the children to complete. We would like all of the children to please complete a survey to find out what people like about living in Farnborough. We have given all children a printed copy of the survey to complete and have also uploaded it to Google Classrooms. Please return the completed homework by **Tuesday 21st March 2023**.

We greatly appreciate your support with these requests to help bring learning to life.

Yours sincerely

Year 3 Team
