

27th April 2023

Dear Parents and Carers

Year 3 Camping on-site Residential 2023

As part of Guillemont's residential programme, we are offering the children a one-night experience. This residential will introduce the children to spending time away from home, in preparation for future residential trips in the following years at Guillemont. This is due to take place on Friday 26th May 2023 - Saturday 27th May 2023.

To make this experience as memorable as possible for the children, we are hoping to camp in tents on the school field. This can only happen if we have enough help from parents and carers, as we need a team of tent leaders who can help set up the tents on Friday 26th May 2023 and take them down on Saturday 27th May 2023.

Would you be able to volunteer as a tent leader? If so, please fill out the reply slip below by Wednesday 3rd May 2023. If we do not have enough tent leaders, we will have to reconsider our overnight residential offer.

To help us with this, we ask all tent leaders assemble the tents during the afternoon on Friday 26th May 2023. We also ask that you dismantle the tents and pack them away at 1:00pm on Saturday 27th May 2023.

Thank you for your support with this request to help bring outdoor learning to life.

Yours sincerely
