More info to come

Christmas Raffle:

Tickets to be sold in
winter term

Draw - 15/12/23

More info to come

Christmas Mini

Marathon:

Date TBC

INTRODUCTIONS, INFORMATION & REQUESTS

Firstly, a warm welcome to our new Yr3 parents and carers. Friends of Guillemont (FOG) is the school's PTA and can help towards various events, visits, trips and school necessities that fall outside of the school budget. These newsletters will be sent out every half term and will include details on events, what we are raising money towards and what money is being spent on.

Starting from this September FOG has a new chair and vice chair therefore, we will be planning new events as well as continuing to support long standing ones like the fireworks.

As the new Chairs we are hoping to create a database of volunteers who are available to help with; gardening, painting and small school maintenance projects. If we can get this compiled we would then look to host mini maintenance mornings for those who can help. Equipment would be supplied as well as refreshments. If you feel this is something you could potentially help with and would like to be added to our database, please email; friendsofguillemont@hotmail.com with your name, number and what you feel you can contribute.

EVENTS & LOTTERY

We have lots of events throughout the year and are always on the lookout for new people to help us run them and volunteer. If you think this is something you could be interested in please email; friendsofguillemont@hotmail.com for more information or give your details to the office to pass on to us.

Currently we are part of the Rushmoor lottery which you can look at joining if you so wish, however, we are in the process of setting up a school lottery which means prizes will only go to people in the school, more details will be sent out once it is fully operational.
