Wednesday 6th August 2025

Dear Parents and Carers,

We are delighted to share the fantastic news that following our recent Ofsted inspection, our school has been graded **GOOD** in all four areas. This achievement reflects the collective effort, dedication, and passion of our staff, pupils, and the entire school community. We are incredibly proud of the positive, nurturing environment we have created together—one where our children can learn, grow, and thrive.

We were especially pleased that the report recognised our strong, inclusive ethos and highlighted the success of our provision for pupils with special educational needs and disabilities (SEND), noting that they are “thriving and achieving.” This reflects our unwavering commitment to ensuring every child feels valued, supported, and able to succeed.

While we celebrate this success, we remain excited and energised about the journey ahead. The Ofsted report has highlighted areas where we can further strengthen our provision, and we see these not as criticisms, but as valuable opportunities for growth. Our commitment to every child’s safety, well-being, and personal development remains at the heart of everything we do.

We are also deeply appreciative of the thoughtful and constructive feedback we received through the parent survey. Your insights help us reflect and refine our practice. In particular, behaviour remains an area we are focusing on, and we are confident that, with your partnership, we will continue to make strong progress.

In the new academic year, we look forward to working even more closely with pupils, families, and staff to build on our strengths and make lasting improvements where they matter most. Together, we will ensure that our school continues to be a place where every child feels valued, inspired, and excited to learn.

Thank you for your ongoing support, encouragement, and belief in our shared vision.

Warmest regards

P. Shakespeare

Paul Shakespeare
Executive Headteacher
