The Roots To Grow, The Wings To Fly

Executive Headteacher: Mr P. Shakespeare

22nd September 2026

Dear Parents and Carers,

Year 5 Residential to Cumulus Outdoors Residential Centre, Swanage - Monday 14th to Friday 18th June 2027

This academic year we are offering a – five day, four nights – residential visit to Cumulus Outdoor Residential Centre, Swanage.

This residential serves as an opportunity for the children in Year 5 to deepen their understanding of the erosion of coastlines and answer the key question “Are the UK coastlines worth saving? The children would be engaging in a range of fieldwork activities that will help them to further build upon their knowledge and understanding in multiple geographical areas.

You can find out more about Cumulus Outdoor Residential Centre using this link:
<https://www.cumulusoutdoors.com/>

On **Thursday 1st October at 6pm** there will be an online presentation to provide further information about the trip and answer any questions you make have.

You can access the meeting using the following link: <https://meet.google.com/vhg-cwos-ehi>

The final cost of the residential is dependent on the numbers participating but will be around **£525**.

If you would like your child to be included, we need a non-refundable £50 deposit. We do not expect deposits to be submitted prior to the residential meeting; the deadline for receipt of this is **Friday 16th October 2026**. The final payment will be due by **Friday 30th April 2027**; however, a more detailed cost breakdown and payment plan will be made available when we have a clear idea on the number of children attending. If there are any reasons why you may/will have difficulties meeting the deadlines or paying for the visit, please make a confidential appointment to discuss it with the head teacher.

Yours sincerely

Mrs Butler & Miss King

Year 5 Class Teachers
